Transport for Greater Manchester wants to know what you think about changes to the Metrolink route in the Mumps area.

The consultation will run from 11 July to 3 October 2011.
Please provide your comments by 3 October 2011.

www.tfgm.com/haveyoursay
Metrolink is coming to Oldham Mumps

• We are going to build a Metrolink tram extension to Oldham.

• Some changes were made to the tram route design in the Mumps area.

• Originally, it was going to go over the Mumps bridge (see Drawing A), but now it will go across the road at street level (see Drawing B).

• We already have planning permission to build Metrolink tracks at Oldham Mumps and building work has started.

• We need to get new permission to run the trams over the tracks at street level. We call this permission “Powers”.

• We are doing this consultation to ask what you think about our plans to run the tram at street level.

What do you mean when you say you need to get new “Powers”? We need the approval of the Government to operate the changes explained in this leaflet.

How you can take part

We would like to hear from local people, community groups, businesses and anyone who visits Oldham for work or leisure.

There are three ways you can tell us what you think:

• complete and detach the enclosed response form and return it to us at: TfGM Oldham Mumps proposals, FREEPOST RRHE-RKUU-KSJY, Manchester M1 3BG

• complete the response form online at www.tfgm.com/haveyoursay

• email future.metrolink@tfgm.com

Please let us know what you think by 3 October 2011.
We need to get new “Powers” to allow us to run at street level. The Mumps bridge has already been demolished and the roundabout will change to a new road layout.

Originally, the trams were going to go over the Mumps bridge.
Exhibition dates

Oldham Library

Wednesday 14 September 10:30 - 7:00

How to find out more

Come to an exhibition (see exhibition dates), or you can get more information:
