Our plans for the new Tameside interchange

Please give us your feedback on our plans by 15th September 2015
What is this plan about?
The plan is about a new bus station and tram station in Ashton and it will be called “Tameside interchange”.

What is an interchange?
An interchange is a place where you can change from one type of transport to another. For example, by bus, by tram, train, taxi, walking, car, or bike.

What the interchange would offer?
- There will be a ticket office and a café
- There will be fully accessible toilets
- There will be seating area for you to wait for your bus
- It will be easier and safer to use

This is how the interchange will look.

What’s next?
We would like to have your feedback on what you think of our plans.
We will look at all the feedback to help us design the interchange.

We will then get approval from the local authority to build the new interchange.

**How to tell us what you think or find out more:**

You can fill in the form on page 4 to 6 and post it to:
